9  
10 Board Member Ying Ying Chen reported that her school district will incorporate  
11 the online ethics course into the induction program. More staff members over  
12 time will have exposure to the coursework. After previously reporting  
13 presentation of ethics material to first-year teachers, Tammy Duehr and a  
14 human resources staff member offered the PowerPoint ethics presentation to  
15 second-year teachers in their district, both groups numbering over 100 people.  
16 Plans call to offer the course each year to new teachers. Greg Robinson said he  
17 is fielding calls from colleagues regarding the evaluator training sequence in  
18 terms of having to file for an extension. Board Chair Judy Jeffrey congratulated  
19 John Aboud for having obtained National Board Certification.

20  
21 Board Chair Judy Jeffrey asked if there were any public comments. There were  
22 none.

23  
24 Executive Director Dr. George Maurer reported on a number of issues:

- 25 1) He made brief reference to the December and January budget reports,  
26 saying that the Board's financial position right now is very good.
- 27 2) Plans for the meeting of the Teacher Shortage Task Force are moving along  
28 rapidly. Around 70 participants are expected on February 13. Data packs  
29 will be sent out the first of next week. Board members, as well as members  
30 of the State Board of Education, will receive copies of the data. Legislators  
31 will be very interested in the results of the meeting.
- 32 3) The operating guidelines committee had met the previous day. Board  
33 members may see the product at the March meeting.

- 1 4) Dr. Maurer highlighted a number of conclusions in the handout of a letter  
2 containing the results of an F.B.I. audit evaluating the board office's  
3 compliance with respect to criminal history information.
- 4 5) He reviewed another handout, with reference to agenda item 9.b., showing  
5 the feedback he received on the states that do and do not permit removal of  
6 endorsements from a license: 19 permit some type of removal; 14 do not.  
7 Board members want to see something crafted for Iowa for their review.

8  
9 The Board turned to vote on a number of administrative rules.

10  
11 It has become increasingly easier for people to enroll in the evaluator class;  
12 therefore, several of the criteria for waiving the requirement of the evaluator  
13 endorsement have become unnecessary. Greg Robinson moved, with a second  
14 by Beverly Smith, to adopt and file the change to Chapter 20 administrative  
15 rules, which eliminates two criteria for waiving the requirement of the evaluator  
16 endorsement. **MOTION CARRIED UNANIMOUSLY.**

17  
18 John Aboud moved, with a second by Beverly Smith, to adopt and file the  
19 change to administrative rules in Chapter 17 that adds renewal requirements  
20 for the initial administrator license, which are similar to provisions given for the  
21 initial teaching license. **MOTION CARRIED UNANIMOUSLY.**

22  
23 John Aboud moved, with a second by Jacqueline Wellborn, to adopt and file  
24 changes to the exceptional learner rules in Chapters 14 and 15 that reflect  
25 current terminology more accurately by replacing "the handicapped" with  
26 "individuals with disabilities." **MOTION CARRIED UNANIMOUSLY.**

27  
28 There are a growing number of teachers coming to Iowa through international  
29 programs, and an International Exchange License would more easily facilitate a  
30 transition for teachers participating in such programs by not creating barriers.  
31 William Haigh, with a second by Jacqueline Wellborn, to adopt and file the  
32 proposed rule in Chapter 14 creating an International Exchange License.

33 **MOTION CARRIED UNANIMOUSLY.**

1 John Aboud moved, with a second by William Haigh, to adopt and file  
2 modifications to Chapters 14 and 15 necessitated by changes to the “two up –  
3 two down rule.” **MOTION CARRIED UNANIMOUSLY.**

8 **UNANIMOUSLY.**

9  
10 Beverly Smith moved, with a second by Greg Robinson, to file under Notice of  
11 Intended Action, the proposed change to Chapter 14 that would permit a  
12 paraeducator holding a substitute authorization to work in K-6 special  
13 education classrooms. **MOTION CARRIED UNANIMOUSLY.**

14  
15 Ying Ying Chen provided handouts and additional information and perspective  
16 on the TOEFL (Test of English as a Foreign Language) as a requirement for a  
17 proposed rule regarding applicants from foreign institutions and the level of  
18 proficiency expected. The Board requested some additional information and  
19 took no action on the proposed rule at this meeting.

20  
21 Ann McNamara holds a Class A license with endorsements for physical  
22 education and counseling. She filed a Petition for Waiver because she thought  
23 a master educator license should have been issued to her in 2000 instead of the  
24 standard license. Review of her application history proved otherwise. John  
25 Aboud moved, with a second by William Haigh, that **in PFW 06-15**, Ann H.  
26 McNamara, the Board deny the Petition for Waiver. **MOTION CARRIED**  
27 **UNANIMOUSLY.**

28  
29 Vernon Rhodes is enrolled in the M.Ed./Intern program at Kaplan University.  
30 He does not have the three hours in computer programming necessary for the  
31 mathematics endorsement. He wants the requirement waived on the basis of  
32 experience and completion of a course entitled “Computer Math.” He served  
33 as a statistician for the US Department of Agriculture, where he worked with a

1 wide variety of computer programs including limited experience programming in  
2 SAS (a computer language). He completed an intermediate SAS course in 2002,  
3 which was not for college credit. Jean Seeland moved, with a second by Greg  
4 Robinson, that **in PFW 06-16**, Vernon J. Rhodes, Jr., the Board grant the  
5 Petition for Waiver. **MOTION CARRIED UNANIMOUSLY.**

6  
7 Tracy Lewandowski asked the Board for a waiver to accept her experience and  
8 training in lieu of the 18 semester hours of college credit in ESL required in  
9 Iowa. She holds a standard license with endorsements for general elementary,  
10 prekindergarten-kindergarten, and birth through grade three. She passed the  
11 Texas Examinations of Educator Standards for ESL and was authorized in  
12 Texas to teach ESL. Ms. Lewandowski has teaching experience in ESL for one  
13 year and taught elementary for four years, which included students who were  
14 second-language learners. She also submitted a certificate of completion of 14  
15 hours of training in ESL and 12 hours of staff development, as well as her  
16 passing test scores. Greg Robinson moved, with a second by William Haigh,  
17 that **in PFW 06-17**, Tracy L. Lewandowski, the Board deny the Petition for  
18 Waiver. **MOTION CARRIED UNANIMOUSLY.**

19  
20 Michael Carey is in the teacher intern program at Kaplan University. He has  
21 not, however, completed all of the English endorsement requirements. He  
22 needs to complete a course in oral communication, and he would like this  
23 course waived on the basis of his experience. Mr. Carey has been a poet-in-  
24 resident and creativity instructor for 18 years. He authored a teaching manual  
25 that is endorsed by the National Council of Teachers of English and the  
26 American Library Association. In his waiver he also listed numerous speaking  
27 events. John Aboud moved, with a second by Jacqueline Wellborn, that **in PFW**  
28 **06-18**, Michael Carey, the Board grant the Petition for Waiver. **MOTION**  
29 **CARRIED UNANIMOUSLY.**

30  
31 Carl Ray Kaiser's alternative program that he completed was not offered for  
32 college credit, and thus he must complete the entire professional education core  
33 for college credit. He wishes to waive the requirement for college credit.

1 He holds an exchange license with endorsements for general business, all  
2 science, and mathematics. John Aboud moved, with a second by Jacqueline  
3 Wellborn, that **in PFW 07-01**, Carl Ray Kaiser, the Board grant the Petition for  
4 Waiver. **MOTION CARRIED ON A VOICE VOTE**, with Beverly Smith voting  
5 “no.”

7 Alan Sorensen holds a standard license with the endorsement for K-12  
8 coaching, secondary agriculture, and secondary agriscience-agribusiness. He  
9 has not completed the methods class required to add the biology and physical  
10 education endorsements and he wishes to waive the student teaching  
11 requirement, a statutory requirement, which cannot be waived. Unless he  
12 wants to add the elementary physical education endorsement, student teaching  
13 is not required to add the secondary physical education endorsement. Mr.  
14 Sorensen believes that his methods class for agriculture would be sufficient for  
15 the methods of teaching science and that his coaching experience should suffice  
16 for the methods of teaching physical education. John Aboud moved, with a  
17 second by Ying Ying Chen, that **in PFW 07-02**, Alan R. Sorensen, the Board  
18 deny the Petition for Waiver. **MOTION CARRIED UNANIMOUSLY.**
